

## 2012 Update and Enrolment Information

2012 will bring about a few changes to the way in which we run the school. All changes have been made to ensure that we are continuously improving the standard of tuition and customer service we offer our dance families.

**KELLY LARCOMBE** has been promoted to the position of Principal. Kelly will oversee the day to day management of the school as there are many little tasks that are needed to help things keep ticking over.

**ANGELA BOOTH, MARY HOOKWAY and JULIA GEORGE** will be leaving us at the close of 2011 to have a break from teaching, spend more time with their families and pursue overseas travel. We thank them for their time with us and the love they have shown their students.

**JANE GRECH** remains the owner and will assume the role of Creative Director. Jane will focus on improving the behind the scenes processes, the quality of the tuition and structure of our classes as well as developing the ongoing vision and strategic planning for JGDC. This will allow Jane more time to focus on increasing opportunities for current students and her main passion – her Classical Ballet Teaching – as well as the other two parts of the JG Creative Group: 'Pirouettes' and 'Dance Teacher Resources' (and to have her 3<sup>rd</sup> baby in April 2012!).

### 'JGDC Clubs'

In 2012 we are creating smaller 'JGDC Clubs' located at each venue. These will be held at Hillcrest, Mawson Lakes, Parafield Gardens, Greenwith and Gumeracha. Classes held at the localised clubs will be 'Dance Magic' and classes for up to 8 years only. Our quality programs with well trained and experienced teachers will still be offered, culminating in one local and low key annual performance per Club. Assessments will not be offered for these students. Uniforms are still expected within classes and any costumes used for performances will still be organised by JGDC at a low cost (under \$35).

Students 8 years and over who have been attending JGDC will need to attend the Highbury or Surrey Downs venues for their ongoing tuition (or an alternate localised dance school). This decision has been made in order to standardise and focus on tuition quality, an issue that has been difficult to date with such a large group of students across diverse locations. Additionally, localised venues are not always ideally set up for older dance students (i.e. incorrect flooring, no mirrors, barres etc).

### 'The Academy'

The Academy @ JGDC will be for students 8 years and over within Highbury and Surrey Downs – our 2 main venues. Our 3-7 year old students can still attend our Highbury and Surrey Downs Venues within the 'Highbury Club' and 'The Junior Academy'.

Once students have reached 8 years, classes will only be held at the Highbury or Surrey Downs Venues. High levels of attendance will be expected, as well as neat grooming, a keen interest plus commitment and dedication to dance. Assessments will be optional, however will be strongly encouraged for all Academy students. The Academy will have its own annual performance, separate from the JGDC Clubs and will be the only performance to be held in a theatre. As the Academy will have lower student numbers in comparison to the whole school in previous years, it will be held locally at Golden Grove Arts Centre. The Junior Academy will have a low key performance, most likely at St Francis Xavier School Hall.

### To Enrol:

**We strongly suggest that you secure your preferred class asap.** Our classes always reach capacity at the start of the year, and we will not be able to 'hold' enrolments on the assumption that your child 'may' be returning. A completed enrolment form and payment of deposit will ensure you are not disappointed come February 2012. If you have any queries in relation to the changes, please do not hesitate to contact our office 0408 847 759 or via email at [admin@janegrechdancecentre.com.au](mailto:admin@janegrechdancecentre.com.au). We thank you for your continued support of our centre in 2011 and wish you all the very best for the Festive Season.
